With its poignant story and catchy Caribbean-flavored score, *Once on This Island JR.* is a highly original theatrical adaptation of Hans Christian Andersen's popular fairy tale, *The Little Mermaid*, and the Tony-nominated Broadway musical by the legendary writing team, Ahrens and Flaherty. Through almost non-stop song and dance, this full-hearted musical tells the story of Ti Moune, a peasant girl who rescues and falls in love with Daniel, a wealthy boy from the other side of her island. When Daniel is returned to his people, the fantastical gods who rule the island, guide Ti Moune on a quest that will test the strength of her love against the powerful forces of prejudice, hatred, and even death. *Once on This Island JR.* calls upon young performers to portray trees, wild animals, and even a fierce rainstorm.
