With equal measures of pluck and positivity, little orphan Annie charms everyone's hearts despite a next-to-nothing start in 1930s New York City. Annie is determined to find the parents who abandoned her years ago on the doorstep of an orphanage run by the cruel Miss Hannigan. Annie eventually foils Miss Hannigan's evil machinations, finding a new home and family in billionaire, Oliver Warbucks, his personal secretary, Grace Farrell, and a lovable mutt named Sandy. JR. is a heartwarming celebration of being different that is sure to delight audiences of all ages with its sparkling wit, unique charm and memorable score. Witty and hilarious, but also deeply moving. Guaranteed equal amounts of laughter and tears. Ugly looks quite a bit different from his darling duckling brothers and sisters. The other animals on the farm are quick to notice and point this out, despite his mother's protective flapping. Feeling rather foul about himself, the little fowl finds himself on an adventure of self-discovery, all the while unknowingly outwitting a very hungry Cat. Along the way, Ugly meets a whole flock of unique characters and finds out that being different is not a bad thing to be.
